The Race

The course is set on 2 out and backs along Gulf Lane with the brewery at approx half way. We will have the aid station at the brewery with water and beer available.

We recommend wearing road shoes. Please wear appropriate clothing for the weather conditions on the day. The road is exposed to wind and rain with not much cover.

Please also note that the roads are not closed to traffic. We will have marshals and signage at all road access points warning drivers but please be careful when out on the course.

As the roads are not closed to traffic and for your own safety we strongly advise not wearing headphones during the race.

We will have a lead bike and tail runner for your safety. There will also be a medic onsite.

Once you cross the finish line you will be handed a voucher to collect your beer from the bar.

We will also hand out 2 cans of FYB beers to the first 3 male and female runners.
